

LAKE FOREST SCHOOL DISTRICT 67

*Colleen Brueggeman
Director of Gifted Services K-4
Director of World Language*

November 13, 2007

Dear Parents,

I am so excited to announce some information regarding Gifted Education that we are adding to the District 67 website starting November 19, 2007. To access this communication go to our website www.lfelem.lfc.edu look for ***Hot Topics*** on the right hand side of the homepage and click on Gifted Services. From there, you will be able to find a Frequently Asked Questions Section, resources from the Gifted Department and our Board Policy. Additionally, gifted education definitions can be accessed; parent book study opportunities and updates regarding gifted opportunities will also be able to be found under *Gifted Services*.

We will also share with you on a monthly basis what has happened in both our Explore and our Enrichment programs by individual elementary school. You will notice your school's name listed in this area. If you click on your school name you will be able to read about the activities and concepts that were taught in both Enrichment and Explore. We will archive each month so that you will be able to pull up past months as well. We are excited to offer this level of communication and we look forward to partnering with you to best support students. If you have any questions or any ideas about information under Gifted Services, please do not hesitate to call me at 1-847-615-4474.

Sincerely,
Colleen A. Brueggeman
